Verse 1 - Group 1

Dressing up in special clothes
Party hat and big red nose
Presents in paper what a surprise
Fireworks lighting up the skies
This is how we party

Chorus

Now's the time to celebrate
Gather round and don't be late
Dance and sing and clap your hands
Voices ring across the land
This is how we party

Verse 2 - Group 2

Play a game of duck, duck goose
Then we drink up all the juice
Party food means lots of crisps
Chocolate cake and ketchup and chips
This is how we party

Chorus

Verse 3 - Group 1

Dancing puts me in a good mood
Eating lots of party food
Wobbly jelly and chocolate cake
Cocktail sausages on a plate
This is how we party

Chorus

Verse 4 - Group 2

My sisters here let's play a game
By myself just ain't the same
Singing to my favourite track
Musical chairs to Hit The Road Jack
This is how we party

Chorus
